Ruben CAMACHO-Sanchez**PROBABLE CAUSE STATEMENT**

On August 13, 2008, Supervisory Border Patrol Agent G. B. Buckelew was performing assigned duties in the Campo Border Patrol Station area of responsibility. At approximately 6:00 p.m., Agent Buckelew responded to a report regarding five possible illegal aliens at the Mountain Market in Pine Valley, California. This area is located approximately 18 miles east of the Tecate, California Port of Entry and approximately 14 miles north of the United States/Mexico International Boundary.

Upon arriving at the location, Agent Buckelew observed five individuals in front of Mountain Market being questioned by a San Diego County Sheriff's Deputy. One of the individuals was later identified as the defendant **Ruben CAMACHO-Sanchez**. Agent Buckelew identified himself as a United States Border Patrol Agent and questioned each individual as to their immigration status. All five individuals admitted to being citizens and nationals of Mexico without immigration documents that would allow them to enter or remain legally. All five were arrested at approximately 6:30 p.m. and transported to the Campo Border Patrol Station for processing.

Routine record checks of the defendant revealed an immigration history. The defendant's record was determined by a comparison of his immigration record and the defendant's current fingerprint card. Official immigration records of the Department of Homeland Security revealed the defendant was previously deported to **Mexico** on **June 7, 2008** through **San Ysidro, CA**. These same records show that the defendant has not applied for permission from the Attorney General of the United States or his designated successor, the Secretary of the Department of Homeland Security, to return to the United States after being removed.

The defendant was advised of his Miranda rights. He stated he understood his rights, and was willing to answer questions without an attorney present. The defendant again admitted that he is a citizen and national of Mexico, illegally present in the United States.
